Plans and on-going work of the CG

Functional Subgroups:

- **GPForum subgroup** has met; a **draft program** was discussed at the 8th CG meeting and in the Joint CG-ASEF meeting, in the 9th, 10th and 11th **CG GPD meetings**. The **results and some questions** were presented to the BFUG Board hosted by the Holy See on 23 January 2024, and **were presented to the Brussels BFUG by the chair of the subgroup and Vice-chair of the BFUG, Linda Pustina**. The proposed topics were discussed by the **CG GPD** during its meeting on 1 March 2024 and further suggestions formulated.
- **GPStatement subgroup** has met frequently and presented its Draft 3 Statement for discussion at the 8th CG meeting and in the Joint CG-ASEF meeting. A 3x draft, updated on the basis of that discussion, was presented to the Madrid BFUG. A Draft 4, still 'in progress, was presented to the Board on 23 January. It had been discussed in the 9th and 10 CG GPD meetings and in the Joint CG GPD HAQAA meeting on 18-19 January 2024. On the basis of the comments received the Draft 5 was presented to the first Brussels BFUG; on the basis of the comments by the BFUG and those received from the CG GPD itself, **Draft 6 was presented to the Board on 12 March; Draft 6x is presented to the second Brussels BFUG.**

The regional subgroups prepared and presented lists of proposed invitees for the Forum, which were reviewed by the Albanian authorities, and sent to the BFUG.

Plans and on-going work of the CG

During the spring months of 2024, contacts continue with the countries and organizations with which work has gone on until now.

The CG has proposed organizing dialogue/meetings on matters of common interest between **global interlocutors** and the **EHEA WGs**. The first meeting, between the Co-chairs of the Social Dimension WG and the USA «Institute for Evidence-based change» (IEBC) was held online on 7 July 2023; the **TPG B and TPG C Co-chairs** participated in the Joint HAQAA and CGGPD meeting in Barcelona, 17-19 January 2024.

Other WGs are invited to use this opportunity!!

Plans and on-going work of the CG

Consultation and findings:

A large-scale consultation on perceptions of the EHEA and ideas about collaboration with it, involving stakeholder organizations, authorities and private persons – students and teachers – in the countries outside of the EHEA has been held, thanks to the support of IN-GLOBAL (along with the similar consultation carried out within the EHEA for the Task Force EKS).

Elaboration of the results seems to show that, with some exceptions, there is worldwide a low degree of knowledge about and interest in the EHEA. This finding would tend to confirm the **current strategy of the CG GPD and the Forum**: to promote dialogue among macro-regions, rather than offer the EHEA as a blueprint for others.

Final Report

Pre-final draft presented

The CG GPD prepared a pre-final draft of its Final Report which was submitted to the first Brussels BFUG.

Further details, such as information about the meeting held in March were added to the version submitted to the second Vatican Board and to the second Brussels BFUG. Further meetings are planned in the imminence of the Forum; details and documents (the Global Policy Statement and the programme for the Global Policy Forum) will be updated for the final version.

Recommendations (as per the prefinal Report)

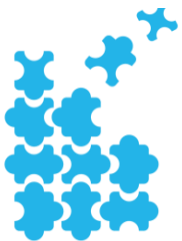

The CG GPD recommends that in the future 2024-2027 work period it be asked to:

- continue and strengthen its efforts to consolidate dialogue with appropriate countries and macro-regional organizations.
- continue and strengthen its efforts to create contacts and links between the BFUG working structures and appropriate international dialogue partners.
- organize a future Global Policy Forum in 2027.
- prepare the Global Policy Statement.

The CG GPD also hopes that the future call by the European Commission for funding to support the BFUG working structures can be formulated in such a way as to permit inviting guests from and travelling to/contributing to events outside the EHEA

Further recommendations are being discussed.
