National Agency for Academic Exchange – competences in the field of recognition

- approaches matters of recognisability of tertiary education and academic degrees
(Article 2, paragraph 3, point 3 of the Act of 7th July 2017 on the National Agency of Academic Exchange),
- issues – upon request – recognition statements for holders of foreign degrees
(Article 326, paragraph 4 of the Act of 20 July 2018 – Law on Higher Education and Science).

Legal framework for automatic recognition

- Law on Higher Education and Science - automatic recognition of degrees since 01.10.2011:
 - if a degree gives access to second cycle / PhD studies in the country where it was obtained it automatically gives the same rights in Poland
 - EU, EFTA, OECD countries - automatic recognition of degrees (level equivalence for professional purposes)
- Act on Education System - automatic recognition of certificates since 31 March 2015
 - certificates giving access to higher education (from EU, EFTA, OECD countries)
 - IB, EB
- Bilateral agreements

In practice

- Increasing number of queries - people wanted to know how their qualifications or qualifications of their candidates are recognised
- Everyone wanted to have information immediately
- Inconsistency in application of the legislation

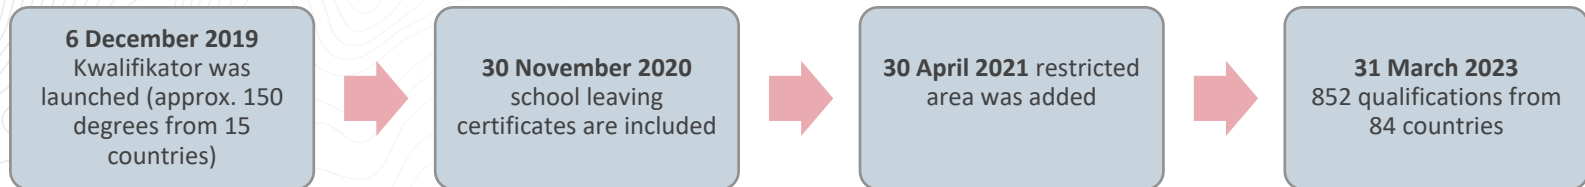

Kwalifikator

Why

- To fully implement automatic recognition of foreign degrees
- To make the information available to the public
- To increase consistency in application of legislation

Target groups

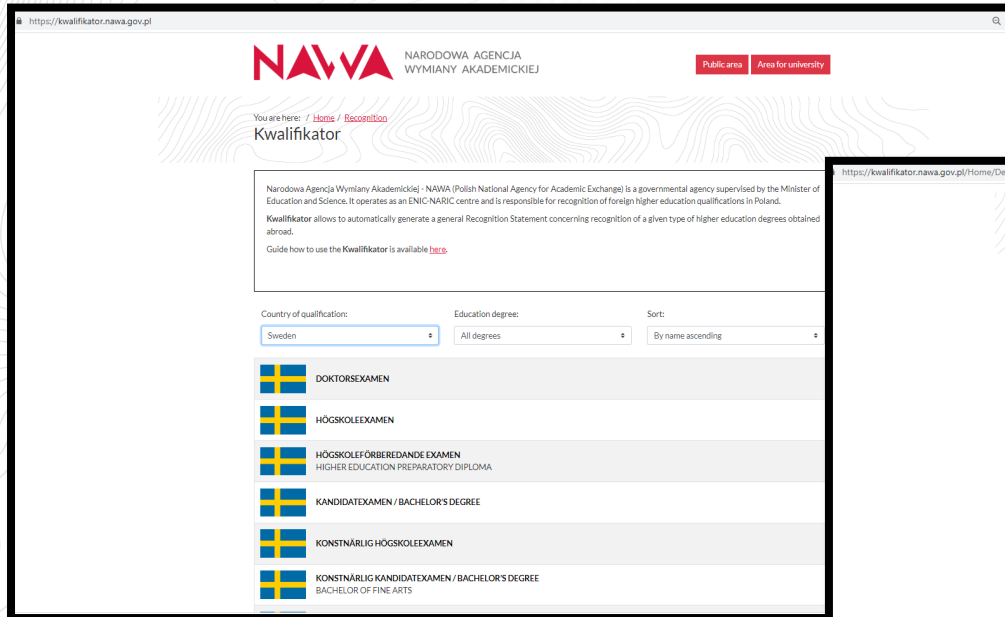

- HEIs, employers, students, job seekers, recognition authorities, etc.

Kwalifikator (restricted area)

- Supplements the public part
- Only in Polish
- Contains the following:
 - Samples of degrees
 - Samples of school leaving certificates
 - Specific information recognition authorities
- Target group: recognition authorities (academic and professional recognition)

Kwalifikator - statistics

78% of visits from Poland

22 % of visits from other 160 countries worldwide

top 5: Ukraine, Belarus, UK, Germany, Nigeria

„automatic” recognition statement downloaded for approx 15% of verified documents

Kwalifikator - positive effects & challenges

Positive effects

- Stakeholders use it (quasi legal source)
- Many stakeholders, e.g. HEIs have links to KWALIFIKATOR on their websites
- Platform for cooperation with other recognition authorities (e.g. bodies responsible for recognition of school certificates)
- Transparency & Consistency in application of legislation
- Important source of information (statistics)
- Our visibility has increased

Challenges

- Updating
- Various target groups – various needs
- How to make the recognition statement more personalised?
- Some stakeholders prefer an individual recognition statement, signed and stamped

Thank you for attention!
