

Advisory Group 2

Learning and Teaching
Recommendations

- ▶ Update of the work
 - ▶ Three themes
 - ▶ What's next?
- 

Update of our work

- ▶ 5 meetings, last in Vienna
 - ▶ Two documents
 1. Update of the work (longer version)
 - Recommendations and principles
 - Best practice examples
 2. Proposed annex to communiqué
 - After discussions in the Board meeting in Zagreb
 - Short document with more concrete recommendations
- 

Theme 1

- ▶ Making student centred learning a reality
 - Structured dialogue between HEI's and all stakeholders
 - Exchange of good practices
 - Supportive environment for diverse types of learners (inclusion, diversity, Life long learning)
 - Open Education

Theme 2

- ▶ Foster the continuous enhancement of teaching
 - Support HEI's in continuous professional development of teachers
 - Sustainable and supportive working environment
 - Proper recognition for teaching in academic careers
 - Foster new teaching methods

Theme 3

- ▶ Strengthen institutional and systems' capacity to enhance learning and teaching
 - Include L&T in HE national strategies
 - Support education research and collect and use data about education
 - Stimulate cross-border exchange of good practice
 - Appropriate and stable funding to enable HEI's to develop high quality L&T environments

The way ahead

- ▶ Next working period: recommendation to continue work on L&T
 - ▶ After discussions today: modifications to the annex document
 - ▶ Final modifications to the report of AG2 (best practices)
 - ▶ Next (online) meeting for AG2 (before BFUG in Croatia)
 - ▶ Workshop during Rome Conference
-
