

WG on San Marino Roadmap - Update

- The work is progressing well and the work has covered all aspects of the Roadmap:
 - NQF, QA, recognition of qualifications, higher education governance, lifelong learning and social dimension
- San Marino has demonstrated willingness and ability to develop higher education system as agreed in the Roadmap
- A draft final report to the BFUG meeting Madrid
 - Assessment of the implementation of the Roadmap
 - Good practices
- Preliminary suggestions for the Tirana communique: 1) The implementation status of the Roadmap 2) Roadmap as an instrument for all future accessions.

Update from San Marino

Law on Higher education:

- Recall to the principles of EHEA and LRC
- Rules on how to establish new HEI
- Study courses based on ECTS and with final diploma supplement
- ESG compliant QA in San Marino HEI (talks for an agreement with a QAA have begun)
- Protection of denomination related to HE

Other steps

San Marino joined the EQPR project aiming to strengthening the principles of the Lisbon Recognition Convention, article 7.

Next steps

Law on HE sets the layout for statutory decrees on:

- **NQF**
- **Access to HE in line with EHEA principles and the Lisbon convention**
- **University of San Marino regulations**
