

IMINQA - Peer Learning Activity 2

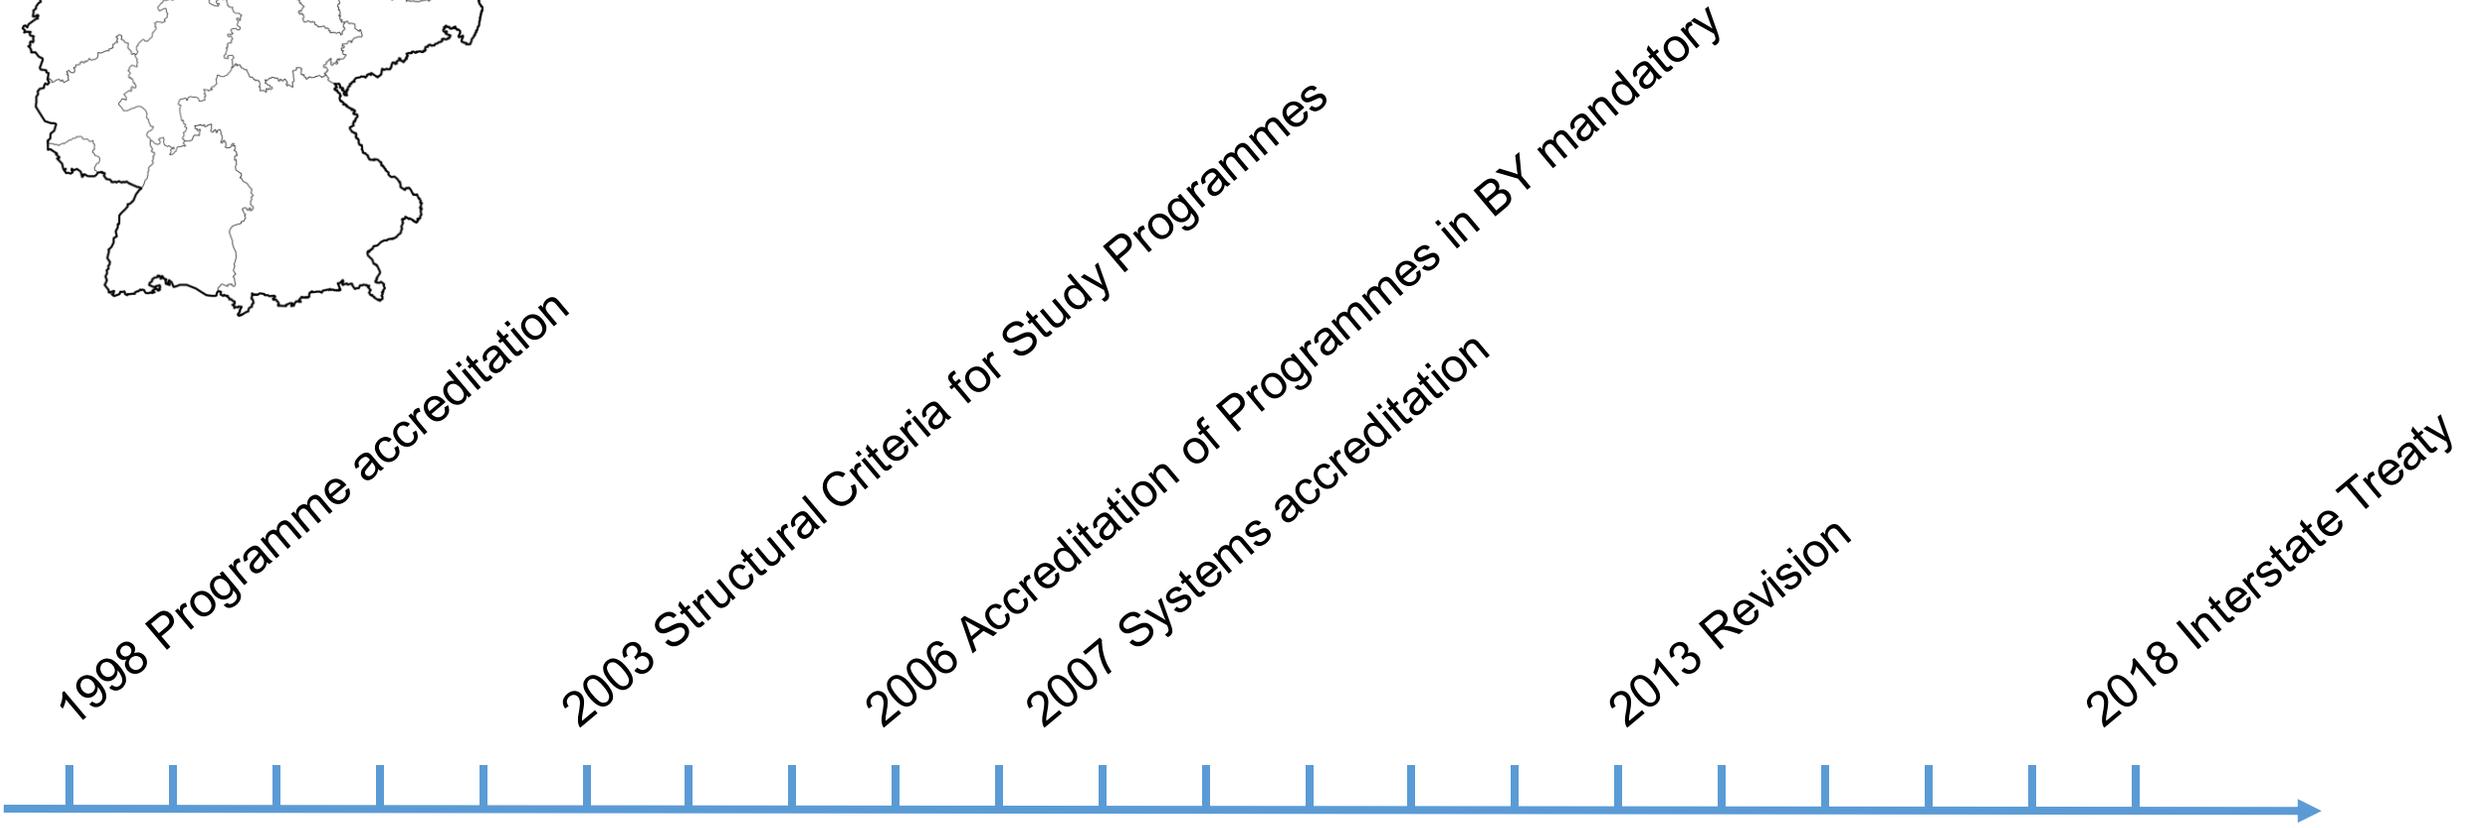

Cross-Border Quality Assurance from an institutional perspective

Experiences with a foreign agency

Bucharest, 21 March 2023

Rudolf Bauer - Technical University of Munich

Development of the German accreditation system

Requirements

- ➔ **The agency must know the German system very well**
- ➔ **The peers must know the German system very well**
- ➔ **The peers should speak the language**
- ➔ **The agency must provide professional support**

Advantages

- ➔ **A Broader view**
- ➔ **A view from a distance**
- ➔ **A broader possibility for comparison**
- ➔ **...**

**If we want to promote the integration of the EHEA,
is this really the right approach?**
