4.4. Is there any funding reserved for measures to increase participation of under-represented groups?

Please choose..

4.4.1. Please specify.

4.5. Do you have national targets/goals for participation of those groups that you identify as under-represented in higher education?

Please choose..

4.5.1. Please explain these targets briefly and name the groups to which they apply.

4.6. Does your country offer more public funding to higher education institutions to stimulate access for underrepresented groups?

Please choose..

4.6.1. Please specify and identify variation between different groups, where they exist.

4.7. Is the effect of measures to increase participation of each of the groups monitored in your country?

Please choose..

4.7.1. Please specify.

4.8. Please provide details on how the higher education participation and graduation of each of the groups that you identify as underrepresented is monitored in your country.

4.8.1. What data is collected?

4.9. Is there a system to monitor the composition of the student body (in terms of groups identified as underrepresented) by subject?

Please choose..

4.10. When are data generally collected?

Please choose..

4.10.1. Where an approach different from the general approach is used for any group, please specify.

4.11. Where is information provided by this monitoring system published (provide a reference and link)?

5. GENERAL POLICY APPROACH TO WIDENING PARTICIPATION

5.1. If your country has a general policy approach to increase and widen participation and to overcome obstacles to access, please explain your approach briefly and provide reference to relevant documents.

It depends on the number of prospective universities.

5.2. How does your country's policy explicitly identify the obstacles that it addresses?

There are no obstacles in this process.

5.3. What are the criteria used to measure and evaluate the success of specific initiatives and measures?

statistical accounting given by the universities to the corresponding office in the regional departments of education

5.4. In your country, is the composition of the student body monitored according to certain criteria?

Yes

5.4.1. Who monitors on the basis of which criteria?

- Authorised authority in the field of education in the Ministry of Education and Science. - Providing equal access for those who want to get higher education. - Prospective university students have a right to choose a university and speciality.

5.5. How is this data used in higher education policy?

It is used in state demand.

5.6. How are measures to remove obstacles to access primarily funded? If your country has a mixed system, please choose all adequate boxes. Please only indicate the most important source(s).

- From the general higher education budget
- From a specific budget
- From university budget
- There are no measures to remove obstacles to access

6. DIFFERENT APPROACH TO WIDENING PARTICIPATION

6.1. Please explain the characteristics of your country's policy to achieve the goal that the student body reflects the diversity of the population.

6.2. Does your country's policy approach explicitly identify obstacles to higher education?

Please choose..

6.2.1. Please describe these obstacles.

6.3. Does your country's policy approach make reference to parts/groups in the population?

Please choose..

6.3.1. Please describe these groups.

The university works out the above-mentioned regulations taking into consideration employers' requirements.

14. Please describe up to five main access routes to higher education (including, but not limited to, entry with a school leaving certificate, entry with a vocational education certificate, entry without formal certification) and, if possible, provide approximate percentages of students entering through this route in parenthesis (). If less than five main routes exist, please write "n/a" in the remaining fields.

Route 1: = certificate of secondary education

Route 2: = certificate of intermediate professional education

Route 3: = certificate of National Testing results (for school graduates)

Route 4: = certificate of University Applicants' Testing results

Route 5: = medical certificate

15. Do higher education regulations and steering documents promote flexible entry to higher education, e.g. through alternative access routes?

Yes

15.1. Please briefly describe these measures.

Applicants are enrolled according to the standard enrolment regulations.

16. PART-TIME STUDY

16.1. In your country, is there any official status other than full-time student?

Yes

16.1.1. If yes, what formal status does exist?

part-time study, correspondence study

16.1.2. How do you define it?

part-time study, correspondence study

16.1.3. What are the reasons for offering a different student status?

All conditions are made to give these population groups an opportunity to get higher education

16.1.4. How are these students treated differently (e.g. fees, student support, etc.)?

The fees for part-time study and correspondence study are lower.

16.1.5. Please describe the most common understanding/concept of part-time studies.

16.2. In your country, do you have an explicit policy to encourage part-time study provision by higher education institutions?

No

16.2.1. Please describe briefly the main elements and provide the source.

16.3. Which one of the following statements best describes the current situation in your country?

Higher education institutions have autonomy to decide, but most of them offer part-time studies

16.3.1. Please specify

current assessment, final assessment

17.7. Is institutional practice in recognition of prior learning explicitly included in the quality assurance processes used to evaluate institutions and/or programmes?

Yes

17.8. Please provide any additional relevant comments for consideration regarding flexibility of higher education studies.

A student is free to choose subjects and courses.

Part 2.2 BFUG Data Collection on student contributions and support

1. STUDENT FEES AND CONTRIBUTIONS

The focus of the questions is on students, and is not limited to full-time daytime students. Furthermore, all first and second cycle students are included. Third cycle students are excluded except when explicitly mentioned. Similarly, the focus is on home students or equivalent. International students are only included when explicitly mentioned.

1.1. Do you want to answer this section now or later?

2. In your country, does any higher education home student at a public higher education institution have to pay a fee of any kind?

Contributions to student unions are not included!

3. In which currency are contributions to higher education institutions and other study costs paid in your country?

Tuition fees for students studying on a contract basis

4. In principle, which home students at public higher education institutions have to pay fees?

- During studies All students Specific groups of students No answer
- After studies All students Specific groups of students No answer

4.1. Which main exemptions to this principle exist in your country?

4.2. Which of the following criteria determine whether a student has to pay fees?

- Need
- Merit
- Part-time/Full-time/Distance learning
- Field of study

Other Students on contract basis

5. With regard to fees, are home students in the second cycle treated differently to those in the first cycle?

5.1. In principle, which second cycle students at public higher education institutions have to pay fees?

- During studies All students Specific groups of students No answer
- After studies All students Specific groups of students No answer

5.2. What main exemptions to this principle exist in your country?

5.3. Which of the following criteria determine whether a student has to pay fees?

- Need
- Merit
- Part-time/Full-time/Distance learning
- Field of study

Other Students on contract basis

6. What is the minimum, maximum and most common amount of fees payable by home students in the first cycle? Please multiply any annual fees (including registration, tuition, administration, graduation and other fees) by the most common length of programmes in this cycle and add fees to be paid only once to that amount.

Minimum amount = * 85tys.tg. (about 590 \$) * 4 years = 340tys.tg (around \$ 2,360)

Maximum amount = * 700tys.tg. (around \$ 4,830) * 4 years = 2800tys.tg (about 19,320 \$)

Most common amount = * 225tys.tg (around \$ 1,555) * 4 years = 900tys.tg (around \$ 6,220)

6.1. Which home students pay the minimum and the maximum amount in the first cycle? (e.g. students in certain subjects, students in need, students with good academic performance, part-time students, other...)

In some universities, students with high scores pay less as well, and students of the correspondence department

6.2. Please provide the percentage of students paying the minimum and the maximum amount in the first cycle. If precise data are not available, please provide an estimate.

Depending on the university and profession.

7. What is the minimum, maximum and most common amount of fees payable by home students in the second cycle? Please multiply any annual fees (including registration, tuition, administration, graduation and other fees) by the most common length of programmes in this cycle and add fees to be paid only once to that amount.

Minimum amount = - 95tys.tg (around \$ 660) * 1 year = 85 tys.tg (around \$ 660) - 95tys.tg (around \$ 660) * 1.5 years = 142,500 tenge (about \$ 990) - 95tys.tg (around \$ 660) * 2 years = 190 thousand tenge (about \$ 1,320)

Maximum amount = 700tys.tg. (around \$ 4,830) * 1 year = 700tys.tg (around \$ 4,830) - 700tys.tg. (around \$ 4,830) * 1.5 years = 1050tys.tg (around \$ 7,245) - 700tys.tg. (around \$ 4,830) * 2 years = 1400tys.tg (around \$ 9,660)

Most common amount = 365tys.tg. (around \$ 2,520) * 1 year = 365tys.tg (around \$ 2,520) - 365tys.tg. (around \$ 2,520) * 1.5 years = 547 500tg (around \$ 3,780) - 365tys.tg. (around \$ 2,520) * 2 years = 730tys.tg (around \$ 5,040)

7.1. Which home students pay the *minimum* amount in the second cycle? (e.g. students in certain subjects, students in need, students with good academic performance, part-time students, other...)

Depending on the university and profession.

7.2. Which home students pay the *maximum* amount in the second cycle? (e.g. students in certain subjects, students in need, students with good academic performance, part-time students, other...)

Maximum - students of certain professions, for example - lawyers, economists

7.3. Please provide the (approximate) percentage of students paying the minimum and the maximum amount in the second cycle. If precise data are not available, please provide an estimate.

there is no accurate data

8. Concerning fees, are international students treated differently in your country from home students?

No

8.1. What is the minimum, maximum and most common amount of fees (including registration, tuition, administration and graduation fees) payable by international students in the first cycle?

Minimum amount =

Maximum amount =

Most common amount =

8.2. According to your country's steering documents, students from which countries are considered international students?

Citizens of of any country other than Kazakhstan

9. Who defines the fee amounts for any student in the first cycle?

- Each higher education institution defines its own fees
- Higher education institutions can define their fees, but there are limits set by the central/regional authority
